## Greene County Public Health Releases 2025 Annual Report

**GREENE COUNTY, OHIO** — Greene County Public Health has released its **2025 Annual Report**, which shares important information about the work done to keep our community healthy and safe.

The report includes:

- A **financial report** showing how funds were used
- A **communicable disease report** with updates on illnesses in the county
- **Program statistics** that show how many people were served in 2025

The Annual Report gives a clear look at how Greene County Public Health worked to prevent disease, respond to health concerns, and provide services for families across the county.

“Our Annual Report provides transparency and accountability to the community we serve,” said Melissa Howell, Health Commissioner. “It highlights not only the numbers, but the impact behind those numbers—protecting families, supporting businesses, and strengthening the overall health of Greene County.”

The 2025 Annual Report is available online at [www.greenecophoh.gov](http://www.greenecophoh.gov). A limited number of printed copies is also available.
