Public Invited To Have ‘Coffee with a Cop’ in Xenia, September 16, 2026

XENIA, OH – Greene County Public Health officials and Greene County Safe Communities Coalition members invite the public to come out on **Wednesday, September 16, 2026, at 10:00 am** to enjoy **Coffee with a Cop** at the **Coffee Hub, located at 81 E. Main Street in downtown Xenia.**

Coffee with a Cop brings police officers and the community members they serve together over coffee to discuss issues and learn more about each other. The mission of **Coffee with a Cop** is to break down the barriers between police officers and the citizens they serve.

“Coffee with a Cop is a great opportunity for community members to grab a cup of coffee, meet our local law enforcement officers, and have a chance to chat and get to know one another. We hope it creates a fun, welcoming environment where people can stop by, say hello, and connect with the officers who serve our various communities,” said Kaci Warren, Health Educator and Safe Communities Coalition Coordinator.

Now in its ninth year, National **Coffee with a Cop** Day (typically held the first Wednesday in October) has seen great success. It aims to create spaces without communication barriers, speeches, or agendas, just honest conversations about issues affecting communities, sports, and great places to eat. There are lots of things to talk about over coffee these days! Let’s show the world what a thriving community looks like through the collaboration of our citizens and law enforcement officers.

The public is invited to attend. ***Coffee and pastries will be FREE and on a first-come, first-served basis.*** For questions or more information, please contact Kaci Warren at kwarren@greenecophoh.gov or 937-374-5673.
