Your Accredited and Trusted Local Public Health Authority Since 1920

###

About Greene County Public Health

Our services are designed to protect and improve the community's health. We provide birth and death certificates, easily accessible community public health services, and environmental health programs. We also ensure the safety of food and water, protection from disease, and readiness to respond to emergencies. The organization was created by Ohio Revised Code 3707 and 3709 in 1920. For more information about Greene County Public Health, please visit www.gcph.info.
